

**UNIVERSITY
OF ALBERTA**

Water Research Centre

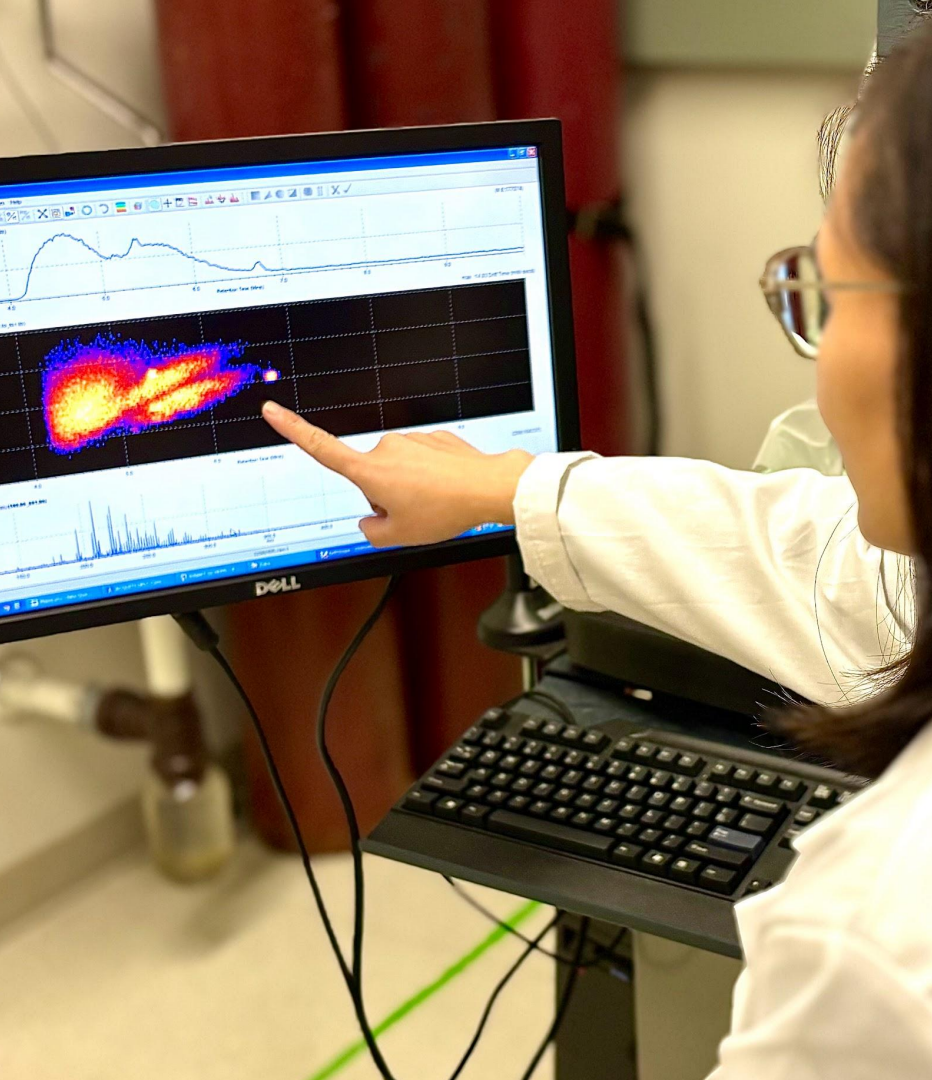

**Transforming Water Systems
Through Collaborative Research &
Innovation**

April 29, 2026

Our Focus

- Supporting inter and multidisciplinary research (especially across departments and faculties!)
- Supporting researchers at all stages, including those who are early in their careers
- Maximally leveraging our available funds through NSERC, MITACs, and other funding sources

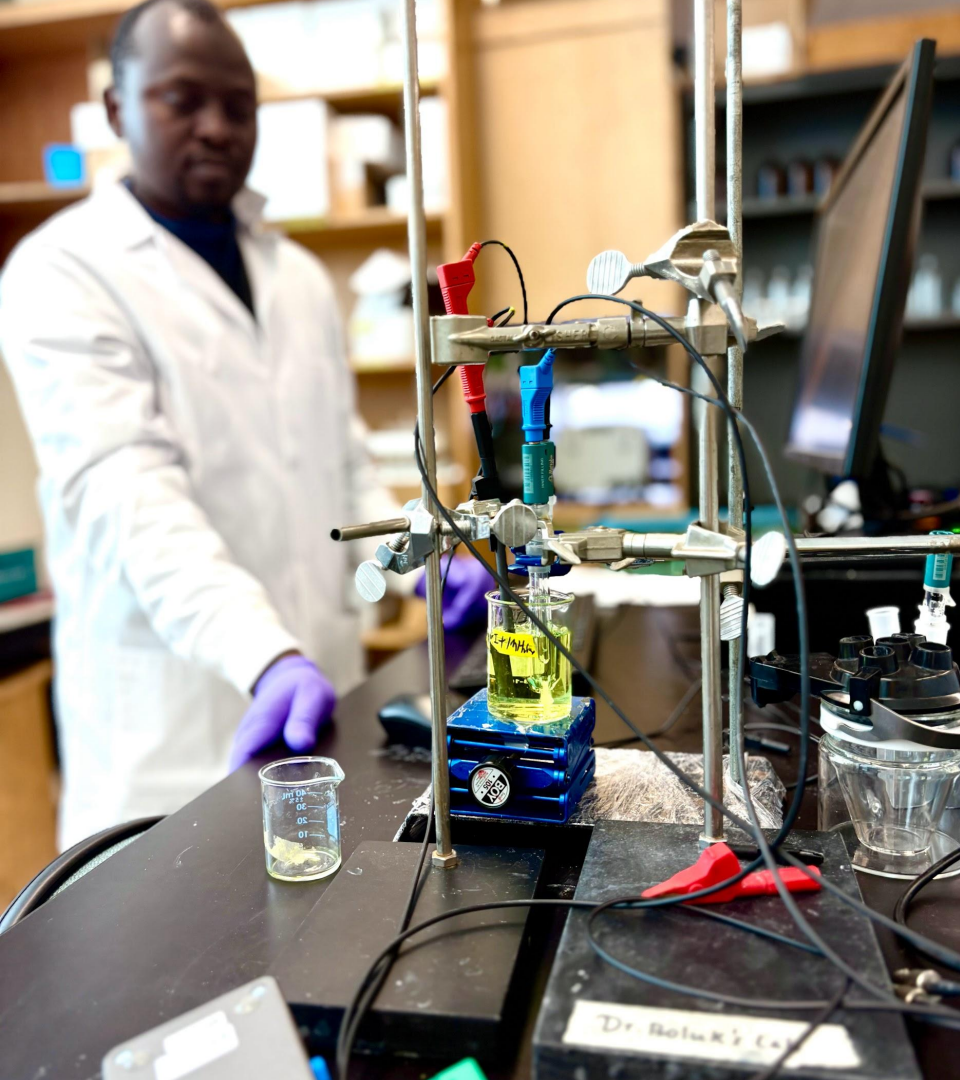

Research Support

LOI round 1: Spring/Summer 2025

10 submissions, 3 approved for FP

LOI round 2: Fall/Winter 2025

7 submissions, 3 approved for FP
